## WOULD LEGISLATE AGAINST MACHINES IN MINING OF RIBS

McDermott of Clearfield  
Proposes Changes in  
the Law.

## MERCANTILE TAX HARD FOUGHT

Only Three Dissenting Votes in House  
to Amend for Direct Election  
of Senators; Local Option Bill Is Pre-  
sented; Other Measures Proposed.

Special to The Courier.  
HARRINGTON, Feb. 4.—Representative McDermott of Clearfield county today introduced a bill into the House which would make it unlawful to use any type of mining machine in the removal of ribs, stumps or pillars in bituminous mines. He also submitted a bill providing changes in the qualifications for Mine Inspectors.

The bill to legalize Sunday baseball was reported unfavorably to the House today by the Law and Order Committee.

Bills reported favorably were: Providing for the suppression of disorderly houses; a non-treatng act; providing that platforms of trolley cars may be used; and, a bill still providing that the standard weight of a ton of coal at mine be 2,400 pounds; providing for a one mill tax.

Representative John Francis Powers of Braddock, is preparing a resolution for introduction in the House this afternoon calling for investigation of the strike at the Jamison, Johnson, Steel & Wire Company. A probe of the riot at Rankin last week which resulted in the death of one man and the injury of 25 others is called for by the strike.

With but three dissenting votes, the Rockwell resolution ratifying the proposed amendment to the Federal Constitution providing for the direct election of United States Senators by the people, the measure passed finally in the House of Representatives last night. Richard J. Baldwin of Delaware, who spoke against its passage and Representatives Bass and Fawley were the members who voted against it. The resolution now goes to the Senate.

Among the appropriation bills for Western Pennsylvania institutions were: \$10,000 to McKeesport, appropriating \$107,000 to the McKeesport hospital in the House, and \$12,000 to Washington appropriating \$12,000 to the City hospital, Washington, in the Senate.

The retail business men who appear before the House Committee on Ways and Means this afternoon at the public hearing held for a repeal of the mercantile tax law are the men who have been buying the big bulk of this tax to the State. The mercantile tax collected throughout the State during the year 1909 amounted to practically \$1,500,000. Of that the retail merchants paid \$953,433.93.

The amount collected in 1910 in the State was slightly in excess of \$1,600,000 and the retail merchants paid \$924,125.50. In 1911 the amount collected was \$1,504,426.75 and out of this the retail merchants paid \$970,282.67.

The Commission to revise the election laws of the State, created by the Legislature of 1910, has completed its report and will present it to the present Legislature at an early date. The proposed measure ignored the suffrage question, which is also still up to the initiative referendum, and, therefore, the Anti-Saloon League's local option bill was presented in the House by Frank H. Rockwell of Tipton. The bill creates city and county units. Each city with more than 10,000 population is to vote on the question separate from the rest of the county. When 25 per cent. of the electors, based on the vote cast at the last preceding general election, petition the county commissioners to other buildings on Huggart street.

## WITH SNOW AND SLEET THE GROUNDHOG IS MAKING GOOD

Mercury Climbs Up and Down the  
Tide, Going Down at the Last  
Report from the Front.

The mercury, which had temporarily

got a grip on the broad of weather required for six weeks of winter, following a slight slip-up after seeing his shadow. While he did not get going with any indications of future speed on the second day of his reign, he caught the necessary stride, in the night and brought a brand that came near equaling the coldest of the season.

The mercury now has the genuine

"nothing to do tomorrow" habit,

bobbing around at a rate that threatens to heat up the tide. After plumb-

ing down 48 degrees from 60 at the

week's end and shooting up 41 de-

grees in the 24-hour period ending no

longer yesterday, the mercury took an

other big slide in today's period.

It came down 43 degrees from yes-

terday's minimum of 63. However, the

weather is not as cold as the kind

given a year ago, when the thermo-

meter hovered at 8 degrees above zero.

The present sudden attack of cold

came with last evening. After snow-

falls had fallen throughout the greater

part of the day, snow came and by

sight of the thermometer the country

was covered almost as far as the

eye could see. This brought sharper winds and caused

much discomfort after yesterday

morning's high temperature.

## HOSE COMPANY STRIKES

Mount Pleasant Organization Petrels  
Over Council's Actions.

MOUNT PLEASANT, Feb. 4.—Mount Pleasant Hose Company has been reduced by one hose company.

The Third Ward organization is on a

strike because Council last night de-

clined to have a hose house erected.

The lowest bid was \$12,025 and Coun-

cil couldn't see the money in it.

As a consequence the Third Ward

Company has decided it will answer

the call of the other companies and

will build a fence to keep out

trespassers. The master is before the

fireboard's real estate department.

No replies from the State Depart-

ment of Health to the letters sent by

Health Officer Allen Hyatt of Connellsville township, and the State

Department of Health to the letter

from Secretary Baer, concerning the

relocation of the reduction plant.

The Board of Health has considered the circumstances extenuatory and will

not interfere with the reduction plant.

Efforts to stop the alleged flagrant

violations of the health laws by man-

ufacturers in dumping refuse into the

open will continue. It has been point-

ed out that the garbage is of such ma-

terial as to cause the spread of disease

and should be burned. The reso-

nion has been that the cost of haul-

ing to an open lot has been cheaper

than to have the garbage company

haul it.

The Board of Health has handed a

copy to Health Officer Allen Hyatt, who

represents the State department. It is

hoped the State Interferes largely because he is

out of town.

It is agreed that the Board of Health

will meet to determine

whether the boys have been arrested

or implicated in various depredations

about Fairchance of late.

## BOYS ARE ARRESTED

Five From Fairchance are Taken to  
Untown Jail.

UNIONTOWN, Feb. 4.—Five boys

from Fairchance have been jailed on

charges of aggravated assault and

battery upon Christian Poppe, who

was badly beaten during a fight.

Poppe, a Negro, and Charles Lovis, a

white boy, fought to interfere

when an emergency made it necessary

for the garbage company to dump its refuse there temporarily.

## HOPE TO OPERATE GARBAGE FURNACE AGAIN TOMORROW

Company Expects to Begin  
Hauling Over Snyder  
Street Then.

## ROAD IS NOW IN BETTER SHAPE

Dumping Along the River Will be Put  
to End by the Baltimore & Ohio  
Railroad Company; Hyatt is Told  
of Constant Violations of the Law.

## BALTIMORE CLOTHING HOUSE WANTS TO LOCATE IN TOWN

Retail Dealers in Ladies' Wear Ask  
Secretary Baer to Protects of  
Promoting Good Locations.

Connellsville is the objective point of a Baltimore clothing manufacturer, according to an announcement by Secretary Henry T. Haag, of the Chamber of Commerce, today. The company, the name of which was withheld, was reported seeking a location here to open a store with a \$10,000 stock.

Mr. Haag said the company had

written him an inquiry into the possi-

bility of locating a storehouse in the business section. The company, it was understood, was satisfied upon

the possibilities for big business here

and needed only a desirable location to get the project under way.

Only ladies' garments will be

handled by the company, it was stated

in the communications with Mr. Haag.

Plans of the company were that if

it would find a store here business

would prove up to expectations, the stock

would be enlarged.

## AFTER NEW MEMBERS

Business Men for Y. M. C. A. is Al-

most Given Out.

Secretary Baer of the Y. M. C. A. is

making a determined effort to in-

crease the membership of the busi-

ness men's class, and with that end

in view has had a series of booster

cards prepared. These cards will be

mailed each week to the business men

in the community in an effort to

arouse their interest in the work of

the association.

Following the release of the

Directors of the association to-night,

Secretary Baer will present his

report of the work done during Jan-

uary, and the attention of the Direc-

tors will be called to several matters

requiring attention.

Superintendent Stanley P. Asho will

have charge of the night school which

meets in the church rooms.

Nine members enrolled when

the class was organized by Secretary

Baer last Thursday night and it is ex-

pected that several others will signifi-

cantly join the association.

Following the release of the Board of

Health today,

Mr. Danoff, on his way to Sofia, will

continue the work he will do there.

He will be assisted by Dr. E. G. But-

terfield, Dr. W. A. Bishop, Frank Frel,

T. J. Brennan, S. A. Gilmore, H. C. Tracy, and Dr. Frank S. Brant.

After the happenings of the last

four days has been threshed out thor-

oughly the sentiment of the majority

was that the patrolmen under sus-

icion and those having turned in their

insignia of office be recommended to

Council for summary dismissal.

The question of providing adequate

police protection for the town until

such time as the new City Hall becomes

occupied was raised by the proposal to

hire a patrolman.

**SOCIETY.**

Hibernian Entertainments.—Large and enjoyable was the better dance and card party given last evening in the Parochial school by the students. Auxiliary of the American Legion of Hibernians. Music was furnished by Kiferle's orchestra and dancing was kept up until after midnight. Those who cared not to dance spent several delightful hours at five hundred and eureka. Refreshments were served. Among the out of town guests were Miss Madge Harper, Miss Murphy, James Connolly and Joseph Courtney of Dunbar; John Owens and William Gallagher of Bettontown. The proceeds were for the benefit of the new parochial school.

**Church Trustees to Meet.**—The regular meeting of the Board of Trustees of the United Presbyterian church will be held this evening at the office of J. A. Mason on the Second National Bank building.

On Sunday evening Rev. H. G. Russell of Indiana State will occupy the pulpit and there is a possibility of the congregation extending him a call. The church has been without a regular pastor since the Rev. Dr. Frank White tendered his resignation.

**University Club Dance.**—A social event of interest is the University Club dance to be held this evening in Market hall under the committee-ship of Paul Bolter and Jack Frost. The affair promises to be the most delightful social function of the season. The patrons are Mrs. J. M. Reid, Mrs. H. P. Snyder, Mrs. L. F. McCormick and Mrs. J. Lawrence Palmer. Music will be furnished by Gouraud's orchestra of Pittsburgh.

**Mr. Kennel Entertains.**—A dainty pink and white color scheme was carried out in a most effective manner at a large and prettily appointed card party at which Mrs. Charles H. Kennel was hostess yesterday at her home on Race street. Spring flowers were artistically arranged in all the rooms. Twenty tables of bridge and five of roulette were in play. The proceeds of the bridge were won by Miss S. H. Goldsmith. Miss Alice Lou Dull and Miss Mary Smith were the winners of the hundred dollar prize.

**Thursday Musicals Today.**—The Thursday matinees will meet this evening at the home of Miss Florence Goldsmith. Misses Mary and Anna have announced the change from the regular date. A Wagner program will be rendered.

**Alumni to Hold Dances.**—The first of a series of dances will be held next Tuesday evening in Market Hall under the auspices of the High School Alumni Association. Invitations were sent out to the members of the committee. The charge is making arrangements to make the affair a success. The hall will be prettily decorated and music will be furnished by Kiferle's orchestra.

**Members of the Committee.**—Mrs. Clarence Hayes, Clifford Edmonds, Lloyd S. Dow and John Clark Remmer.

**E. L. Cabinet Meet.**—The annual biennial meeting of the E. L. Cabinet of the Methodist Episcopal Church was held last evening at the home of Miss Estelle Trost on South Pittsburg street. Arrangements were made for a Valentine party to be held in connection with the regular monthly business and social meeting of the League to be held Thursday evening, February 13.

**Mr. C. D. May to Lecture.**—Mrs. C. D. May will entertain the G. I. A. Ladies' Fancy Work Club tomorrow afternoon at her home in South Connellsville.

**Stricken With Paralysis.**—Alexander Tarr, junior of the High School, was stricken with paralysis Sunday morning. His condition is not serious, and today he is resting comfortably at his home on the West Side.

**CLUB SELECTS NAME**

West Penn Employees Organize an Educational Association.

The regular meeting of the West Penn Educational Association was held last evening at the West Penn Laboratory in Greenwood, with many members and two visitors in attendance. The present name was adopted at the meeting.

Among the most important topics taken up and discussed were "Various Methods of Teaching," "Gardening," and "The Theory of Heating for Industrial Motors." Telephone connections were briefly discussed. The subject will be taken up again at the next meeting to be held Monday evening, February 17. The meetings are open to all visitors who are interested in the work of the Association.

**Scotdale Church Work.**—A program entitled "The Endeavorer's Dream" was presented last evening in the Christian Church at Scotdale by the Christian Endeavor Society before a large and appreciative audience. The program was perfectly rendered and was pertaining to missionary work throughout, portraying the dress and needs of the people of the different countries where mission work is being done.

**Wife Abuser is In Jail.**—Otto Ziegler, bartender, was arrested for the slaying of Nellie Mandane. Mandane is now in the Greensburg hospital seriously injured. Ziegler was arrested sometime ago for dragging his wife around the room by the hair and beating her.

**Missionary Society Will Meet.**—The regular meeting of the Women's Missionary Society of the United Presbyterian Church will be held today afternoon at 2:30 at the home of Mrs. Walter Laughry on South Pittsburg street. All members are invited.

that was such a remarkable success last year during the months of February, May and October of last year. Success begets success and we are going to make this FREE plan bigger and better than ever.

We explained our plan carefully in detail in our former advertisements but to those who have never read them we briefly give you the facts in the case, and remember, please, that every word we tell you here is the absolute truth, backed by this great big business the largest and most representative Furniture store in the county.—Now read carefully

### We Are Going to Give You Free, Beautiful New Furniture—The Value of Which Is Limited Only to the Amount of Other Goods You Purchase.

For example—if you purchase a brass bed, we will give you FREE another piece of furniture of certain high value. Now if you purchase several hundred dollars worth of goods, we will give you FREE goods of far greater value, and so on in proportion, the FREE furniture depending on the amount of other goods you buy. Is that perfectly clear?

It is a most unusual plan—it's a genuinely remarkable plan, but we know that this plan will bring to this store hundreds of people who have never traded here before. The money this idea is costing us is CHARGED UP TO ADVERTISING—as we have not advanced the prices on our regular goods one single penny; in fact our prices are lower than anywhere else in the entire county—and will remain so. There are no "ifs" nor "ands" nor "buts" to this offer. It is as simple and plain as the English language can make it—FREE furniture with every purchase of other goods amounting to \$10.00 or over. Note the FREE articles in this advertisement. Hundreds upon hundreds more that we haven't the space to list. TUESDAY EVENING, FEB. 4, 1913.

**DRILLING AND MINING.**  
The meeting of coal operators and mining experts in Pittsburgh this week, for the purpose of determining the best means of avoiding the grave dangers of oil well fires, we are sorry to note, has taken up a matter of supreme importance to mining interests, particularly to miners.

The question has been exhaustively examined into and elaborated in the courts of Fayette county, where Judge Van Swearingen, after hearing the testimony of numerous mining experts, laid down certain specifications for safety through coal seam operations or veins and for sealing off gas planes through active mines or old workings.

The necessity for strict regulation of all borings through coal seams, especially producing gas wells which may cause disastrous explosions in the mines, is imperative in the interest of the modern and humane rule of safety first.

Regulation by the courts is good as far as it goes, but the jurisdiction of the courts is very limited. The matter should be the subject of legislation. Laws on the subject should be framed promptly and presented to the Legislatures of Pennsylvania and West Virginia, both of which are now in session.

**GOLDEN EGGS.**

It is stated that the West Penn power dams on the Monongahela river will not be completed for a couple of years, but judging from other reports they will be done in plenty of time to have their electrical production taxed at a liberal sum per kilowatt by the West Virginia laws.

In their mad desire to raise money to mend their fences with legislators should not forget that there is such a thing as taxing industrial development to death.

It is not the purpose of these remarks to defend the West Penn, which is probably able to take care of itself, nor to criticize the kilowatt tax, which may prove to be reasonable; but to call attention to the fact that, in the taxation of corporations, legislative architects should bear in mind the unfortunate experience of the owner of the goose which laid golden eggs.

**Boss Flinn.**

Boss Flinn insists upon his deputies at Harrisburg showing something for his money.

He has labored under the impression that Boss Flinn's recent liberal political financing was done in the interest of the Common People.

"Shall the People Rule?" was a question often asked by Boss Flinn during the preliminary political battles of 1912, and a number of the loggers, miners, coal miners, etc., of the public and Washington party delegations are just now applying that slogan to themselves as the accredited representatives of the People.

If the bosom of Penrose was bad, they cannot see how the bosom of Flinn can be good. "It's a poor rule that does not work both ways."

**THE MERCANTILE TAX.**

The merchants are naturally opposed to the mercantile tax. The corporations are also opposed to the tax, as the holes of estates are opposed to the collateral inheritance tax; the mortgagors are opposed to the mortgage tax; and a great many other special interests are opposed to specific taxes.

But they all have to pay them; and if there is any exception made in one case, all the others are entitled to like consideration.

Particulars is a knowledge of this fact that has stayed action in this matter thus far, and which will probably continue to stay.

Judge Ruppel of Somerset county believes in Prohibition, but admits the license law as he finds it. Other judges might with credit to themselves follow his example. Unfortunately, however, some members of the judiciary are prone to think, when they look down from the Throne of Justice, that they are a law unto themselves.

Fires are no jokes in bitter weather.

The proposed new Congressional apportionment would give Southwestern Pennsylvania another Congressman, but it makes some of the districts too populous, so that they should not enter into apportionment bills, but it has long been suspected that politics had never been left out of them.

Has the code come back to Fayette county after having been banished from the country?

If the groundhog sign prevails, we should not complain too much of the weather. It must be remembered that we have had little or no winter yet, and that six weeks is not a long season. What's more, winter usually lasts until the middle of March. The groundhog never had a better chance to make good, nor the public a poorer excuse for growing.

The Parcel Post is picking up as it proceeds.

In pit iron, as well as in Connellsville coke, 1912 was a record year.

The proposed coke coming with its chain of by-product plants reaching partially across the continent may make it desirable, if not actually necessary, for the merchant operators of the Connellsville region to get closer together.

The anthracite miners have decided that all employees must join the union whether they are miners or not. The operators are not only permitted exemption, but will probably be asked to join later. It's the only unless they can belong to, anyhow. The law forbids them to have any combinations among themselves.

Policeman Conn is not the man who put the Conn in Connellsville, but he is the lad who put the first backbone into the new blood of the police force.

## LIKE A GOOD TIME FOR BUILDING THE GARBAGE FURNACE

When No Member of Scottsdale Council Came in From Fourth Ward.

### CITIZENS THERE PROTESTED

Only a quorum of Scottsdale's Members Got Out Last Night and Business Wheels Did Not Turn Until Late—Much Action Taken, However

**Special to the Courier.**  
SCOTTLAND, Feb. 4.—It was not until 8 o'clock last night that Borough Council got started and that barely a quorum present, after a long enough session it would be no meeting when W. W. Miller arrived the night, as it were, by coming down from the Third Ward.

It would have been a grand little time for the building of a garbage furnace for there was not a member present from the Fourth Ward, where the project was hatched a few years ago by the independent members of the second of the town. Council did discuss the way the winter is going, how spring is coming about the second meeting from this, and how the people will be crying to high heaven or thereabouts to have a garbage furnace. Likewise, it was said that Health Officer E. P. Goshorn had been reporting to Councilmen some of the outliers that are already under way, and that, too, with the questions asked as to where it is to be put. He and everything else answers "Where?" For the Garbage Committee has been unable to find any place where people will allow the stuff that makes a part of the high cost of living, to be disposed of.

There was nothing done, although the contractor a furnace was made a few days. Meanwhile the Garbage Committee will continue to be ministerial martyrs and vice with the Street Committee in bearing heavy burdens. President W. L. Schaefer told Council that the situation has gained no respect through its weight of years, and advised every member to do some hard thinking on how to get through the muddle and unravel it to little hind at that bottleneck.

There was some conversation regarding pole taxes and the stand that some of the owners of these buildings take that they should not pay anything for making the streets look like those of a town. It was the opinion of, with a shrugging opinion, that the old reader selection of "Woodlawn, Spago That 'Froo," has been taken too literally in dealing with some of the companies. The suggestion that the Postal Telegraph Cable Company's poles or ones suspected of being property of that company, although publicly disclaimed as it were by that corporation, ought to be cut down, failed to gain a hearing in the hearts of the Councilmen. So, if the axe is laid to the root of some of these unluckily moored along Broadway it need not occasion surprise. In such event it is but reasonable that the owners will step out least their property be sacrificed.

William M. Ritchey's appointment as borough auditor to succeed J. H. Haworth as receiver was confirmed as approved by court.

G. H. Hoher and H. E. Cramer applied for the asking of preparing the borough tax duplicates and their names were referred to the Finance Committee.

Gates were opened for the handling of the borough funds for the year. The Drawing and Industrial Bank bid four per cent interest on daily balances and the Scottsdale Bank bid three per cent, so that the former will be continued as the depository.

The Board of Health presented its report for the year. The number of communicable diseases during the year have been as follows: Cholera, 4; diphtheria, 2; erysipelas, 2; measles, 4; mumps, 1; pneumonia, true, 2; whooping cough, 2; tuberculosis, 4; typhoid fever, 3; and whooping cough, 24. The Board received \$500.

## RHEUMATIC PAINS GO SWOLLEN JOINTS VANISH

**RHEUMA**—Greatest Remedy for Rheumatism, Gout and Sciatica. Only 50 Cents and Money Back. From A. A. Clarke If It Doesn't Soothe.

Thousands of persons during the last year freed themselves from the bonds of rheumatism; rid themselves of the torturing pain, reduced the swollen joints; threw away canes and crutches; and from helpless beings became able to work and be of use to themselves and their families.

They took RHEUMA; the modern enemy of Rheumatism, which is also sure to cure Lumbago, Sciatica, Arthritis, Gout, Chronic Neuralgia or Kidney disease.

Don't think because RHEUMA is sold for only 50 cents a bottle that it won't bring you back to health. There is no guess work about it. RHEUMA is better than any remedy at ten times the price. Ask A. A. Clarke—Advertisement.

You will distinctly feel your cold breaking and all the Grippe symptoms lessening after taking the very first dose.

It is a positive fact that Pape's Cold Compound, taken every two hours, until three consecutive doses are taken, will end the Grippe and break up the most severe cold, either in the head, chest, back, stomach or limbs.

It promptly relieves the most miserable headache, dullness, head and nose, stiff neck, feverish shivering, sore eyes, throat, running of the nose, nervous catarrhal discharges, aches, spasms, stiffness and rheumatic twinges.

Get a 25-cent package of "Pape's Cold Compound" from your druggist and take it with the knowledge that it will positively and promptly cure your cold and end all the grippe misery without any assistance or aid after effects and that it contains no quinine.

Don't accept something else said to be just as good. Tastes nice—act gently.

and disbursed \$554.50. There are 25 members of the parochial school room in the rough house, 2000 to 2500 adults reported and 22 stated.

Tax Collector S. E. McMillan was given a small exoneration bill, giving credit for exonerations in the sum of \$160.88, duplicate assessments of \$21.29 and returns from the County Commissioners of \$60.26.

The borough officers reported money received as follows:

Borough Engineer Bill ..... \$ 80.00

Borough Engineer, W. B. Henry ..... 13.76

L. Dick, sewer traps ..... 4.00

Broadway Bank Interest ..... 118.51

J. F. Harvey reported that in an agreement between the G. A. B. Band and the Freemens the meeting night for the latter organization has been changed, when special sessions are to be held, from Thursday to Friday evening.

The Police Committee reported that when the police recently arrested a man and woman for larceny and the woman had to be searched, a woman had to be called in for that duty, as it is against the law for a search to be carried out under those conditions by the police. It was suggested that there should be pay for this work. The members were of the opinion that the women who did the searching should turn in a bill. Council ought to pay it. He said that no law provided just exactly for this but as the search was made in the interests of the public good the courts would certainly sustain the payment. In order to make the transaction legal, the finding of the woman will be requested to present her bill. The case was one in which the alleged thieves were setting away from town and quick action was necessary.

For the construction of a sewer on West Locust avenue, approximately 400 feet, the Borough furnished the materials, the Holmes Construction Company bid \$200.00, and the Miller Brothers \$240.00, and \$242. Peter Brothers have the contract for paving the street and said they would not be responsible for any defects that might appear in their paving work owing to the manner anyone else should put in the sewer. As they are bound for five years on the sewer, the paving will be in under the same contract as the paving to be done. This was passed unanimously after a good deal of consideration.

For supplying the sewer pipe, etc., the Broadway Plumbing Mill Company bid \$68. The J. L. Dick Company \$25 and the Louisa Hardware Company \$44, and the last named will supply the materials.

Tax Collector McMillan reported collected of 1912 taxes: General fund, \$528.45; Stinking fund, \$236.51; Water fund, \$116.46 and Sewer fund, \$118.46, a total of \$1,093.10, with \$2,367.73 still outstanding.

Of the 1913 taxes he reported collected: General fund, \$1,384.50; Sewer fund, \$69.46; Water fund, \$116.46; Fire fund, \$21.67, a total of \$2,563.25 with a total outstanding of 1913 taxes of \$1,154.

It was reported that one of the waste paper cans for Pittsburg street is being built by Miller Brothers, and sometime within the next few weeks these receptacles may likely be seen along Pittsburg street to catch the waste paper, banana skins and such trash.

Those members of Council who were present were M. L. Bussey, A. E. Collins, W. W. Mineo, O. M. Jarrett, J. P. Farren, W. G. Mertz and President W. L. Schaefer. The session closed about 10:30.

### BASKETBALL TONIGHT

The Scotchdale Basketball team will play the strong Ludwick A. C. of Greensburg, champions of Westmoreland County in 1911 and 1912, this evening at 8:30 o'clock. This game will be the best of the season, and promises to reveal the championship from the County next. A dance will be given for patrons after the game.

### MR. PLEASANT

MOUNT PLEASANT, Feb. 4.—No meeting of the Civic Club was held yesterday, it being postponed until the next Monday in March, when the annual election of officers will be held.

The Mount Pleasant Association held their regular monthly meeting yesterday afternoon. Beside the regular routine of business an excellent paper was read by Rev. S. L. Postlewait on "Religious of Authority."

Council held their regular monthly meeting last evening and the Burgess' check for \$1,000.00 was received.

J. G. Thompson was present and made a motion of the day to close the sewers on the Pittsburg street running over the lot back of this street. A motion was adopted to put this sewer in. Borough Engineer Gill reported that he had inspected the sewer built by Holmes Construction Company and found all of it to be alright but three hundred and sixty-three on Moorewood street.

A petition was received from residents of North Diamond street asking that something be done with the hill back of the Diamond property. The paper from this board blows over the yards and streets.

C. W. Molster, special agent of the C. D. & P. Telephone Company, was present and asked what Council had done about their poles and other matters pertaining to their right of way. No answer was given them but E. B. Swartz asked for an explanation.

of the poor service being given with long distance calls, stating that there was complaints from subscribers all over the state. Mr. Molster promised to investigate.

F. E. Painter asked that Council advise the rates for lights to light the borough and that while the Clitheroe Light, Heat and Power Company had been refused the right to operate in this borough they would be heard from again and that this would give them chance to put in a bid.

A motion was adopted sustaining Chief Burgess A. T. Collins in the action he had taken when he discharged from duty Thomas Baldorff and his successor Andrew Zembler. One application for night policeman was received but no action was taken. The regular bills were all paid and a recess was taken until Friday evening.

Miss Viola Stevenson gave a bridge party at her Eagle street home on Saturday evening for the Westmoreland Outing Club. Guests were very delicious refreshments served by the hostess, she gave each member present a dime. Two dimes corresponded with dates. Each boy must hunt the girl whose date on her dime was the same as his and they must buy with this refreshments. No one must talk while on their way to the store, nor on the ride home. When the passengers were prepared a full course dinner that was noted for variety was served, as only two articles of food were bought.

### Attend Insurance Banquet.

Covers for about 200 were laid at the annual banquet of the Prudential Insurance Company held Saturday evening in the Masonic Temple at McKeesport. Among the out of town persons were Assistant Superintendent and Mrs. T. J. First, Mr. and Mrs. U. G. Blair, Mr. and Mrs. C. Leaphine, Forsythe, Mr. and Mrs. G. C. Leaphine, Miss Linda Cole and Miss Laura Shaffer of Connellsville; Assistant Supervisor and Mrs. F. R. Roberts of Beaver; Mr. and Mrs. C. W. Shallenberger of Vandergrift, and daughter; Mrs. Charles Randolph of Scottsdale; J. Dull of Broadford; Mr. and Mrs. C. E. Blitner of Dunbar; C. S. Smith of Layton; U. S. Myers of Perryopolis. Dancing followed the banquet.

## Classy Shoes--Best Values

### We Can Fit You in the Shoes You Want

### Red Cross Shoe

You know how it often is when you go to buy shoes. You go in a shoe store, look at the different styles till you find something that you really like—and then can't be fitted.

Or perhaps you find a shoe that fits very well, and Oh, how clumsy and unshapely it looks. Isn't it annoying and discouraging? Here's a store where you CAN be fitted correctly with shoes that are stylish—that look well on your feet.

### THERE ARE TWO REASONS FOR THIS

**FIRST**—Each one of our shoe salespeople has been trained to know the requirements of your foot almost at a glance—they know how to fit you.

**SECOND**—The shoes we handle, the famous, RED CROSS shoe for women, the JOHN KELLEY, and the SOROSIS for women, misses and children.

The last named is one of the oldest and proven best shoe for women known.

For men we have faultless fitting shoes, such as FLORSHEIM and STETSON. Either one of these is the acme of the shoe making art. We have the best shoe for the boy obtainable—the EXCELSIOR.

### Womens and Misses Shoes

\$2 to \$5

Men's Shoes from \$2 to \$5

Boys Shoes from \$1.50 to \$3.50

## KOBACKER'S THE BIG STORE

### KEENE IS CLEVER

Magician Amuses Audience at the Solson with His Tricks.

Keene, the magician, was at the Solson last evening. The audience was small, so the magician remarked several times during the performance, but this did not prevent him from keeping amused those who were there.

Keene displayed remarkable cleverness. Even the slight of hand tricks, which have been seen hundreds of times, seemed better than the average. With his cabinet and topographic tests the magician had evolved a more elaborate program to mystify his audience, and succeeded so well that the applause at times threatened to become deafening.

It was Keene's first appearance here in ten years. He told the audience that he first appeared in Connellsville 22 years ago as a tricler during a bicycle meet.

NO MORE DANDRUFF,  
NO MORE FALLING HAIR

Nearly everyone has dandruff, and must reconcile themselves to the idea of becoming completely bald or resort to the use of Newbros' Herpticide. The manufacturer has absolute faith in Herpticide to do away with dandruff and prevent falling hair.

So perfect is this belief that all dealers are instructed to sell the preparation with a "money back" agreement.

Such supreme confidence is the best evidence in the world of the merit of Herpticide. They know that results henceforth guaranteed. It protects the purchaser.

Used as directed, Newbros' Herpticide kills the germs that cause dandruff and prevents the hair from coming out. It stops itching of the scalp, which is so disagreeable.

Send 10¢ in postage or Silver for sample and booklet to The Herpticide Co., Dept. R, Detroit, Mich.

Newbros' Herpticide is \$6 and \$100 sizes is sold by all dealers who guarantee it to do all that is claimed.

If you are not satisfied your money will be refunded.

## WANTS FEES REPORTED

Somerset Auditor Asks That Act of 1904 Be Observed by Officials.

SOMERSET, Feb. 4.—Attorney Alexander Jones, appointed by the court as Auditor to settle with county officials for the past fiscal year, today notified the officials to file accounts showing the amount of fees received.

An Act of Assembly passed in 1904 makes such report part of the duties of the Prothonotary, Clerk of Courts, Registrar of Wills and Recorder of Deeds, until this year had not been enforced.

The act provides among other things that fifty per cent of all fees in excess of \$2,000 shall be paid into the county treasury. There is a difference of opinion on the interpretation of the act as to whether it applies to Somerset county, inasmuch as none of the officials affected receive any salary. It is not unlikely that the constitutionality of the act will be contested.

Judge Rupert today fixed March 16 as the date for a special election for Shanksville borough, when municipal officers will be chosen. Shanksville was incorporated as a borough about two days ago, and the officials elected at the special election will serve until the next regular election.

Judge Roland E. Bechtel today brought suit against E. G. Armstrong of Somer, to recover \$300 damages.

The plaintiff is represented by Attorney Charles F. Uhl, Jr. It is alleged that Armstrong was responsible for a collision of the Bechtel and Armstrong automobiles on the State road between Stoystown and Bedford last July.
